

What will happen when a wildland fire threatens?

***First: The Fire Department
is notified***

***Fire Department determines
the need to evacuate.***

***Law enforcement conducts
evacuation using VIPS, STARS
and Search & Rescue.
Tune your radio to
93.3 FM or 1240 AM***

***A Public Assembly Point
is established***

***Law enforcement, including local
police, California Highway Patrol,
Lassen County Public Works and
Lassen County Sheriff provides
traffic control and security to
evacuated areas.***

***The Red Cross
establishes shelters
as needed.***
